

There are currently over 150 students involved in the Musselman Band program. The hard work and dedication of these students is what makes this band so successful. Even with recent decreases in state funding for K-12 education, our band program has grown in size and achievements. This growth has been made possible through generous contributions from parents and business sponsorships.

The Musselman Band has a long tradition of excellence. Over the years, they have consistently placed in the top rankings in Tournament of Bands competitions as well as placing 7th in the 2018 US National Bands Championships in New Jersey, named the 2018 All-State Jazz Band and became the KIDA Indoor Percussion Champions in 2019! And to add to this tradition, Musselman Drumline/Percussion was awarded 1st Place at "Music Among The Hills at the Capitol". Earning themselves new drum equipment.

MUSSELMAN BAND SPONSORSHIP PROGRAM

The Musselman Applemen Band Program is a source of great pride for students, parents, teachers and employees in Berkeley County. The band program instills discipline, work ethic, music appreciation, fitness, camaraderie, and respect to all students that are involved. The Musselman Band is highly respected and is building tomorrow's leaders. Every year the band attends football games, competitions in the region, as well as marches in local parades to support our community. Each of these events attract thousands of spectators, who see our band perform.
